

MODEL AIRCRAFT EXEMPTIONS – APPLICATION DISPLAYS/COMPETITIONS

This form should be used to apply for an Exemption under Article 94A(2) of the Air Navigation Order 2016, as amended, to allow a model aircraft to exceed 400 feet above the surface. If the flying is to take place within an Aerodrome FRZ, then an application should be made directly to the Air Traffic Service Unit for their permission. If the flying is to take place within controlled airspace, then permission must be sought from the relevant Air Traffic Control Unit in addition to this application.

This application should be completed on screen, printed, signed and sent to the address at the bottom of this page.
