1. Introduction

- 1.1 CAA International (CAAi) is pleased to announce the availability of the Cabin Safety Inspector Theory course.

2. Scope

- 2.1 This three day course provides a solid introduction to the processes and practices surrounding the regulation of cabin safety and is based on the UK CAA's own training programme used for its Cabin Safety Inspectors and delivered by senior inspectors from the UK CAA Cabin Safety Office
- 2.2 By the end of this course delegates will demonstrate understanding of the following through group discussion and classroom exercises:
- The role of the Cabin Safety Inspector and the Cabin Safety Office
 - Relevant regulations and standards
 - Differences between different types of inspections
 - Principles for conducting an inspection
 - Principles for constructing an inspection report
 - Non-compliance of regulations and/or recommendations associated with various cabin safety related tasks
