### 1. Introduction

- 1.1 CAA International (CAAi) would like to announce the availability of the Understanding & Preparing for DAOS Surveillance Course which has been updated to reflect the MAA Military Requirements Publication suite.

### 2. Scope

- 2.1 This 2 day course will be of interest to Military and Industry personnel working within the context of the former Defence Standard 05-123 and current Military Requirements Publications.
- 2.2 By the end of this course participants will be able to:
- Understand the CAA's role in DAOS initial investigation and surveillance.
  - Understand the respective roles and responsibilities of the organisations and personnel involved in DAOS compliance.
  - Identify gaps against the standards in their own organisations in preparation for the initial assessment and surveillance audits.

### 3. Further Info

- 3.1 This course takes place in the London Gatwick area and has availability on 12-13 November 2014.
- 3.2 For more information on the course please refer to the course description available from [www.caainternational.com](http://www.caainternational.com)
